October 2025

4.4 Million UK Freelancers Face Payment Disputes and Project Failures

4.4M

Self-employed workers in the UK struggle with payment risk and contract disputes

£29.7B

Home improvement market plagued by deposit scams and quality disputes

60%

Of freelancers experience late or non-payment annually

£2.5B

Lost to payment disputes and failed projects each year

No Platform Combines Contracts, Escrow, and Milestone Management

Solution Type	Example	What They Offer	What They Lack
Contract Platforms	**LegalZoom, Juro**	**Document generation**	Escrow, milestone tracking
Escrow Providers	**Riverside, ShieldPay**	**Payment security**	Contract creation, workflow
Freelance Marketplaces	**Upwork**	**Escrow + marketplace**	Open platform, high fees (5-20%)

Users must patch together 3-4 separate tools, creating friction, cost, and security gaps

AllSquared: One Platform, Complete Protection

1 **Generate**
AI-powered contract creation for 5 core service types

2 **Sign**
Legally binding e-signatures integrated

3 **Secure**
Funds deposited into FCA-authorised escrow

4 **Deliver**
Milestone-based project tracking and approvals

5 **Release**
Payments automatically released upon milestone completion

6 **Resolve**
AI-assisted mediation if disputes arise

The only platform combining all six steps in one seamless workflow

Smart Contracts in Minutes, Not Hours—No Lawyer Required

Creative & Digital Services

345,000 UK freelancers

Consulting & Professional Services

500,000+ consultants

Home Improvement & Trades

745,000 self-employed

Event Services

50,000+ providers

General Freelance & Contractor Agreements

2 million+ users

How It Works

User selects service type → AI asks intelligent questions about scope and deliverables → Platform generates customised contract in **under 5 minutes**

Optional Premium Upgrade

Upgrade to **Lawyer-in-the-Loop (LITL)** review for £60-£350. Operating in **unreserved legal services** space—no SRA authorisation required.

Payment Security That Protects Both Parties

Escrow Integration

1. Client deposits funds securely before work begins
2. Funds held by FCA-authorised provider until milestones approved
3. Automatic release upon approval or dispute resolution

FCA-AUTHORISED PARTNERS

Riverside Escrow · Transpact · ShieldPay

Milestone Management

1. Projects broken into clear, measurable milestones
2. Provider submits work for approval at each stage
3. Client approves or requests revisions
4. Payment released only after milestone approval

Eliminates payment risk for providers and quality risk for clients

Lawyer-in-the-Loop (LITL) Model Creates Premium Revenue Stream

Service Tier	Description	Client Price	AllSquared Commission
Quick Review	15-20 minute solicitor review call	**£60-£95**	**25% (£15-£24)**
Custom Drafting	Bespoke contract with consultation	**£200-£800**	**25% (£50-£200)**
Mediation	AI-assisted dispute resolution	**£300-£800**	**25% (£75-£200)**

£30 Billion Market with 10 Million Potential Users
